Real heroes serve by helping others

It may have been the coolest moment during the entire week of VBS 2018. A perfect demonstration of how true life heroes are always finding a way to put others first by stepping up to serve.

Background: This week at VBS a representative of the Brevard Sheriff's Department is patrolling Faithopolis, just in case our F.A.I.T.H. Team of superheroes need any help keeping order.

On Wednesday it was Officer Brown's turn, and instead of just walking around trying to stay out of the way, he looked for ways to be helpful and found success

when it was time to bring snacks to all of the Briefing Rooms where our heroes meet each day to learn about God.

"He was just the best and so helpful. A real hero to all of us," said The Chief, Kris Pakulak.

All F.A.I.T.H. Team heroes still have a chance to do something heroic as well. Don't forget to bring in your loose change on Friday to help buy mosquito nets for needy kids to sleep under.

We're so close to our goal and you might just be the hero to put us over the top!

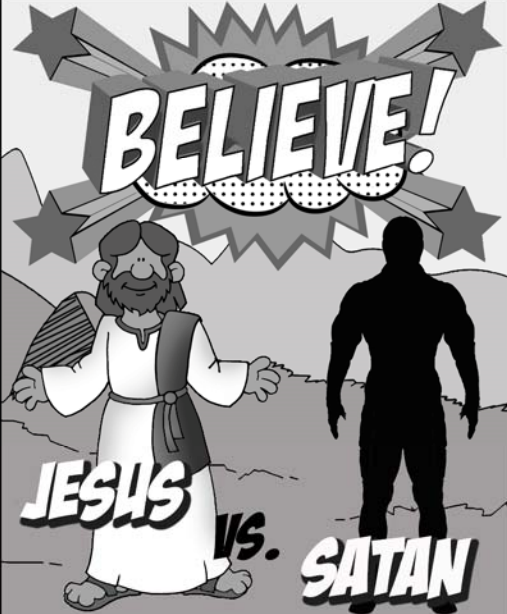

6:30 PM ON FRIDAY MISSION SUCCESS CELEBRATION AT F.A.I.T.H. HQ FOR ALL HEROES AND THEIR FAMILIES!
