Don't miss the fun tonight at 6:30 p.m.

VBS-2018 isn't over until tonight's big Mission Success Celebration right here at F.A.I.T.H. HQ. The whole week has been building toward this final event.

Tonight we learn the fate of Myrtle McWeasel and if she will wreck summer for everyone in Faithopolis, as well as which team earned the right to come on stage and lead "Yes to VBS" by donating the most money to buy mosquito nets.

Parents, plan to drop off your kids in their rows and pick them up in their mission briefing room classrooms afterward.

Snacks will be available and it would be great if everyone brought one package of cookies to share, please. See you at 6:30.

DAVID vs. GOLIATH

DAVID DEFEATS THE POWER OF A BULLY

At the risk of a little over-hyping, did you know we're having one final VBS get together tonight at 6:30 p.m.? Believe me, you don't want to miss it.

■ Special Agent Rachel Ruberte of Team Incredible reports nothing but praise for her sidekick Anthony Pino. She says he attentive to the needs of the heroes, sets a good example, and has brought lots of cool super hero stuff to share. "What a help he has been," she said.

■ Also found in our inbox was this picture of some

pretty happy heroes who clearly are having a great time at Faithopolis. From left, they are Connor Richard, Everly Kohler, Gabriella Love

and Chase Richard. Always great to see smiling faces at VBS!

■ Here's a sight that will melt your

heart. Spotted on Thursday, young Chloe Ruberte of Team Titans bows down on her knees to pray to God. It's true what a certain fictional Jedi Master once said when it comes to heroes: Size matters not!

■ That's a wrap on another year of bringing you the inside scoop on what's happening at VBS. Come back next year when we travel to the... Whoa there, we almost let it slip. Best to come tonight at 6:30 when, among other things, we reveal the fun new theme for VBS-2019!
